We would like to thank the staff and students of St. Mary's Academy for their tireless efforts in organizing the walk/Run-athon in memory of our grand-daughter Faith Hartling. The participation of her friends at the memorial service and the attendance of friends and family were so special to us. We appreciate the support of our community and the generous donations you have made toward the scholarship fund the school has set up in Faith's memory. Special thanks to those who worked endlessly seeing to every detail to make it the success it was. Your compassion and kindness will always be cherished.

Thank you for the donated stone placed in the school memorial garden in memory of Faith, what a beautiful tribute. Thanks to the church for your kind words and encouragement - they were a blessing at this difficult time.

*Many thanks to those who hosted students, family and friends following the memorial service. It was a special time of food, fellowship and remembering. Faith would be (as we have been) humbled by the out-pouring of love that has been shown in her memory. Thank you, each one of you, for that love.
