Port Bickerton Lighthouse 2022 Friend of the Light Application

According to the experts this summer holds a lot of promise in the tourism sector. Moving forward with that thought in mind we remain cautiously optimistic. The Port Bickerton & Area Planning Association is planning to return this summer with business as usual. The last 2 seasons have been productive. Many projects have been completed, the most recent being the siding on the light keepers house. Thank you to ACOA for partnering with us to cost share this project. Another big mile stone for the association was the Municipality of St. Mary's taking ownership of the lighthouse road in 2021. Major repairs were done in the area of the sand cove and it stood up very well to the winter of 2022.

We would like to thank all those who supported us during the last 2 difficult years. Your support was appreciated and did not go unnoticed. We hope we can count on your continued support moving into the future. Visit us at www.portbickertonlighthouse.com or join us on Facebook at "Port Bickerton Lighthouse". Have a great summer and be safe. Sincerely; Don Dodge - President
