Atlantic Gold Presents... TAILINGS DAMS AND TAILINGS MANAGEMENT — THE ATLANTIC GOLD APPROACH

A presentation and discussion with
Independent Tailings Review Board (ITRB) experts.

On Thursday, May 23, tailings management experts Peter Lighthall (Consulting Geotechnical Engineer), Karlis Jansons (Consulting Geotechnical Engineer), Alan Martin (Senior Environmental Geochemist) will be travelling to Nova Scotia and Atlantic Gold has asked them to speak to the residents of the Municipality of the District of St. Mary's. They will be giving a presentation and answering questions from the community related to best practices for the design, construction and operations of tailings management facilities. Atlantic Gold is committed to using such practices for the proposed Cochrane Hill Gold Mine.

Please join us in attending this informational session:

Thursday, May 23, 2019 • 3-4:30 pm

Sherbrooke Fire Hall • 91 Old Road Hill, Sherbrooke, Nova Scotia

Light refreshments will be served
