1. Call to Order
 2. Roll Call
 3. Approval of the Agenda
 4. Other Matters of Business
 - a. Construction & Demolition (C&D) Material Removal Tender Award
- Adjournment

Construction and Demolition Materials

Tender for Removal of C&D Materials

SUMMARY

It has been identified by Public Works along with Municipal Staff that the current accumulated pile of Construction and Demolition debris should be tendered and removed from the St. Mary's Transfer Station.

BACKGROUND

With new restriction and guidelines put into place by the Department of Environment on July 5, 2023, it has become too expensive to dispose of the Construction and Demolition waste collected at the St. Mary's Transfer station on site. After much research, it has been determined that the best course of action to remove the pile of Construction and Demolition waste at the St. Mary's Transfer Station is to tender and have the materials removed.

A motion was made at the Dec 4, 2024, Committee of the Whole meeting and passed by council at the December 9, 2024, regular council meeting as follows:

On motion of Councillor Tibbo and seconded by Councillor Beaver, Council directs staff to execute the following actions regarding construction and demolition (C&D) service management:

To tender the removal of the existing C&D material on site at the transfer station to a suitable long-term storage facility.

Motion approved.

CONSIDERATIONS

Bids on the removal work are due at 4:00 PM on December 19, 2024.

Staff will analyze the results and recommend the award for the project at the special council meeting on December 23rd, 2024.

RECOMMENDATIONS

A motion for council approval will be presented to council in the meeting
