Councillor Harpell
Councillor Mailman

Also Attending:

Doug Patterson, Chief Administrative Officer (CAO)
Marian Fraser, Director of Finance (DOF)
Jadzia Graham, Interim Municipal Clerk
Teddy Stevens, Director of Public Works

3. Other Matters of Business:

a. Recplex Repairs

- The system that runs the ice brine at the Recplex is broken.
- Costs to repair could be as high as \$25,000 plus HST. We can have our service agreement contractor Cimco repair this tonight. This quick timing would enable us to save the ice. If we lose the ice, we are looking at a few thousand dollars in costs and some weeks of lost time before we can run the programs at the Recplex.
- The ice can be saved if Cimco starts working to save it tonight.

On motion of Councillor Zinck, and seconded by Councillor Baker, Council agree to approve the cost of \$25,000 plus HST for Public Works to have Cimco do the ice system repair work needed in order to save the ice at the Recplex. The expenses will come out of the General Operating budget.

Adjournment

On motion of Councillor Malloy, and seconded by Councillor Baker, there being no further matters of business, the council adjourned at 6:10 p.m.

Motion approved.

Jadzia Graham.
