Additional Information on the Municipal Election

Municipal Council confirmed that residents of the Municipality of the District of St Mary's will be able to vote electronically, which means eligible voters can vote on the Internet or by phone (cell phone or landline). Voting will be available 24 hours per day starting October 9th and running until October 19th, 2024. You can vote anytime from anywhere during that time! There will be no paper ballots but voters who need help with electronic voting will be able to get help from municipal staff on the phone or in person. Eligible voters will receive a personalized voter letter with all instructions in the mail before voting begins.

Voters will be electing their district municipal councillor for the next four years. There are five election districts in St. Mary's to be selected this election. Applicable, eligible residents will also be able to choose a member of the Conseil scolaire acadien provincial.

Part of the help that eligible voters will be able to receive from municipal staff will be to check if they are on the voter list or to be added to the voter list. The public will be notified
