Subject: Request for Photos and Videos – Help Showcase St. Mary’s

Hello,

The Municipality of the District of St. Mary’s is creating a new tourism website to showcase everything that makes our area special.

To help bring the site to life, we’re looking for high-resolution photos and videos to feature on the website and across our social media channels. We know many of you already have stunning images and footage that capture the beauty and spirit of our region — and we’d love your permission to use them. In return, if we choose to use your content, we’ll credit your business or name (as specified by you) wherever your content appears.

What kind of content are we looking for?

We’d love to see photos or videos of:

- Scenic views of landscapes, waterfronts, and towns – across all four seasons
- People enjoying outdoor activities and recreation
- Candid moments of people having fun and connecting with others

We’re especially interested in content that highlights:

- Outdoor recreation (fishing, kayaking, canoeing, ATVing, boating, etc.)
- Local history
- Camping and RVing
- Local accommodations & restaurants
- Events, festivals, and community gatherings

What counts as high-resolution?

A high-res image is typically at least 1920 pixels wide, in JPG or PNG format. Videos should be HD or higher.

How to submit your content:

If you’d like to share your photos or videos with us, please complete the attached Photo/ Video Release Form, and send it to us, along with your files, at tourism@saint-marys.ca. Please be sure to clearly name the folder and label each file so we can properly credit you.

Thank you for helping us promote St. Mary’s. Your content can help inspire more people to explore and enjoy everything our region has to offer.

Warm regards,

The Municipality of the District of St. Mary’s
