News Stories

Two small boats reported missing from Guysborough County were recovered from a property in Mulgrave in April. RCMP executed a search warrant on the property on April 20th and recovered a boat that was reported stolen last summer by a New Brunswick owned company working in the Pirate Harbour area.

Guysborough District RCMP is asking for anyone with additional information on the theft of this boat to call 902-533-3801 or to remain anonymous, contact Nova Scotia Crime Stoppers toll-free at 1 800 222 TIPS (8477), submit a secure web tip at www.crimestoppers.ns.ca, or use the P3 Tips app.

On April 29th, RCMP responded to a report of Break and Enter to a cottage on Cameron Settlement Road. Various tools, a vintage typewriter, & a pellet gun were among the items stolen.

Anyone with information on this crime is asked to contact RCMP at 902-522-2200 or Crime Stoppers.

Crime Prevention

Have you heard of Safer Communities and Neighbourhoods (SCAN)?

SCAN is a branch of the Nova Scotia Department of Justice that aims to improve community safety by targeting and, if necessary, shutting down residential and commercial buildings, and land, that are regularly used for illegal activities.

SCAN gives citizens the tools to report problem residences and businesses and gives authorities the power to investigate and take action. It also holds property owners accountable for threatening or disturbing activities regularly taking place on their property.

If you want to report a problem property or have any questions regarding SCAN, please call toll free at 1-877-357-2337. Hours of operation are Monday to Friday, 8 a.m. to 4 p.m. If calling after hours, you can leave a message, and someone will return your call.

If you are reporting a problem property, you may also want to notify your local police agency. **If you have an emergency, dial 911.**

Road Safety

On April 11th, a 66-year-old driver was charged with driving while prohibited. They will appear in Antigonish Provincial Court on June 10th to enter a plea to the charge.

Seven check stops were set up in the area during the month in the communities of Guysborough, Boylston, Port Bickerton, and Sherbrooke.

May is Motorcycle Safety Awareness Month. If taking your bike out for the first time this year, keep these tips in mind before hitting the road:

- **Gear up** – No matter how hot the temperature is, clothing that covers your skin provides protection, goggles or shields & gloves should always be worn. And make sure your helmet is DOT approved.
- **Stay in your comfort zone** – Know your abilities & make sure that neither your chosen route nor motorcycle is more than you can handle. Your bike should fit you (handlebars/controls easy to reach, no tiptoes). If the bike feels too heavy for you, it probably is.
- **Inspect your ride** – Give your bike a once over before heading out, Check tire pressure, mirrors, lights. Don't ignore regular maintenance.
- **Use your head** – While mirrors are there for a reason, you can't rely solely on them for seeing what's in your immediate riding space. Keep your head & eyes up when rounding corners and turn your head to look over your shoulder before changing lanes.
- **Know the forecast** – The dangers of wet, slick roads multiply when you're on two wheels, paired with the lack of windshield, and your body's exposure to the rain can affect your vision & stability.
- **Make sure two isn't a crowd** – Passengers need a helmet, protective clothing and the right shoes. Make sure they know what to do when you turn corners or need to stop. It might be a good idea to take a test run together in a safe environment like a parking lot before hitting the open road.

In Our Community

Meet your Mounties at coffee ☺
Cst. Hudak & Clare Byard ran into each other at Robins in Guysborough. If you see your police officers in your community, let them know what is important to you to help keep you safe in your neighbourhood. We value your input.

The RCMP gals in Canso do it all; Cst. Tammy Hudak and Detachment Assistant Melissa Richard spend many hours working along each other in investigations, but on this day, Tammy got to work with Melissa in the field when at a Fire scene. Melissa is a volunteer fire fighter in the community.

The Guysborough Country District RCMP team had a training day in April where they worked through tabletop exercises on responding to critical incidents & natural disasters. They ended the day at the CLC track for a group workout.
